# WELCOME TO CAMDEN COUNTY COLLEGE!

---

DON  
BORDEN

President,  
Camden County College

---

## ***Your Best Choice!***

I am aware that a number of public and private colleges and universities are considering delivering instruction in a virtual online environment in the fall. I also know that many of you may be looking at a completely different economic situation than what existed just a few short months ago. With that said, it just may not be the time for the high tuition cost of a four-year institution without the benefit of on-campus instruction and experiences. It is also not the time to take a gap year and put your goals on hold.

I encourage you to **carefully consider all that Camden County College has to offer**. We are a highly reputable college offering the same courses required for your major, but at the lowest tuition cost in the region.

Here are two reasons why CCC is your best choice for the 2020-2021 academic year:

1. You can **complete the same courses available at other schools**. We offer more than 900 courses across 112 majors. The best part is that most, if not all of the courses, are fully transferrable to four-year colleges and universities throughout the country.
2. **You can save tens of thousands of dollars in tuition!** Depending on where you plan to transfer after your time at CCC, you can save tens of thousands of dollars when compared to attending a four-year college or university.

All things considered, Camden County College is the place to be for the upcoming school year. Please contact us at **(856) 227-7200, ext. 4200** or visit **[camdencc.edu](http://camdencc.edu)** if you have any questions or wish to register. We are here to help. Be safe and be well.

Yours in education,

A handwritten signature in black ink that reads "Donald A. Borden". The signature is written in a cursive, flowing style.

**ON THE COVER** – President Don Borden congratulates students for making the successful transition to virtual instruction during the COVID-19 pandemic.

# FOUNDATION

## Scholarship Support

The Camden County College Foundation supports students in various ways, giving out more than 250 scholarships totaling over \$250,000 annually. Scholarships support recent high school graduates, nontraditional students, current students and even students who plan to graduate and transfer to other four-year colleges and universities. The scholarship application for current students is open from November to March. Applications accepted during this time will be considered for the following academic year. Students can learn more about our scholarship process at [www.camdencc.edu/scholarships](http://www.camdencc.edu/scholarships).

William G. Rohrer Scholarship recipients pose with William G. Rohrer Charitable Foundation Trustee, Linda Rohrer (center).

The Camden County College Foundation awards a two-year, \$2,000 annual scholarship to a high school graduate from each Camden County public high school. The CCC Foundation works in partnership with Camden County public high schools to select one deserving student from each high school to receive the President's Most Improved Student High School Scholarship. High school students should contact their guidance counselors for more information or to be considered.

In addition to these scholarships, the Foundation also supports students through our Emergency Textbook Fund, in partnership with the Office of Student Services. This program assists students in the purchase of textbooks, and has provided over \$70,000 in textbook support to students since 2016.

“The generosity of the CCC Foundation has allowed me to get closer to my goals... my gratitude is immeasurable!” - Kira Campagna

## FOUNDATION COVID-19 RESPONSE

During the COVID-19 crisis, the Camden County College Foundation distributed laptops to approximately 80 students who were in need of technology support during the spring 2020 semester. The Foundation is continuing to support students during summer 2020. Additionally, the Martin W. Langan Scholarship Fund, supported by John Langan, provided nearly \$25,000 in emergency scholarships to students in need in March and April of 2020.

For more information on available scholarships, how you can apply, and also becoming a donor to the Camden County College Foundation, go to [camdencc.edu/scholarships](http://camdencc.edu/scholarships).

# ACADEMIC NEWS

## Take it Here, Bring it There!

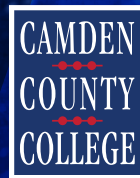

Did you know that you could take a course as a guest student at CCC and transfer the credits to the school of your choice?

Fill your prerequisites and general education courses. Take a required elective and receive credits for less.

Our Guest Application is **FREE** and students are unconditionally accepted.

Register today at (856) 227-7200, ext. 4727 or [guestregistration@camdencc.edu](mailto:guestregistration@camdencc.edu)

## NEW COURSES & PROGRAMS

### PEER RECOVERY SPECIALIST COURSE

Camden County College offers a new course to prepare individuals seeking to assist those recovering from overdose and addiction as a Certified Peer Recovery Specialist. Offered at the Blackwood Campus, the 13-week, 3-credit course promotes competence and skill development in addiction crisis intervention, recovery treatment services, and non-clinical settings such as peer-run recovery centers. The course also focuses on ethics and legal standards related to direct service interventions, multiple recovery pathways and harm reduction methods, and wellness-focused outcome goals. For more information contact [Istanford@camdencc.edu](mailto:Istanford@camdencc.edu).

### ALZHEIMER'S CERTIFICATE PROGRAM

Offered at the new Joint Health Sciences Center in Camden, the Alzheimer's Journey Coordinator certificate program provides the education and clinical training needed to assist caregivers to recognize, understand and treat the symptoms of Alzheimer's disease and related dementia. For more information contact [frichardson@camdencc.edu](mailto:frichardson@camdencc.edu).

### CYBERSECURITY PROGRAM

Camden County College's Cybersecurity Associate in Applied Science Degree provides students with an affordable path toward a career in the fast-growing cybersecurity field. The curriculum prepares students for both transfer and career opportunities. According to the US Department of Homeland Security, as technology becomes increasingly sophisticated, the demand for an experienced and qualified workforce to protect our nation's networks and information systems will only continue to grow. There are currently over half a million job openings nationwide in cybersecurity. Career opportunities include Information Security Engineer, Data Scientist and Computer Forensics. For more information contact [rdolan@camdencc.edu](mailto:rdolan@camdencc.edu).

## ONLINE FOR LESS!

Making the most of this time is what CCC does best! Take a course or pursue one of our 100% virtual degrees and certificates.

We are the most affordable and flexible way for you to get to the NEXT level of your educational and career goals. Our Academic and Financial Aid Advisors are ready to help you get started today. Visit [www.camdencc.edu/advisement](http://www.camdencc.edu/advisement) and [www.camdencc.edu/financialaid](http://www.camdencc.edu/financialaid) for all the info you need.

# FINANCIAL AID

## Our Goal for You: \$0 College Debt

We understand that finding the money to pay for college is a tremendous challenge. That's why we've put together this helpful guide that gives you many of the options for financing your education. Our goal for you is a college degree with ZERO debt. It CAN be done with Camden County College's inexpensive tuition, and by utilizing grants, scholarships, payment plans and other financial resources.

For more information contact the Financial Aid Office at 856-374-4985, [financialaid@camdencc.edu](mailto:financialaid@camdencc.edu), or visit [www.camdencc.edu/financialaid](http://www.camdencc.edu/financialaid).

### FEDERAL GRANTS

**Pell Grant** – The Federal Pell Grant Program provides need-based grants to low income, undergraduate students who have not earned a bachelor's or professional degree. Unlike a loan, it does not have to be repaid. The award amount is determined by the student's financial need based on the information submitted on the FAFSA application and the student's enrollment.

**SEOG Federal Supplemental Educational Opportunity Grant** – SEOG is for undergraduates who are Pell Grant recipients to assist with additional educational expenses. Just like Pell Grants, the FSEOG does not have to be repaid but it is awarded on a first-come basis.

### STATE AID

**Community College Opportunity Grant (CCOG)** – CCOG is a state grant that provides last dollar grant aid to full or part-time students who also have a total household income under \$65,000. Additional eligibility requirements apply. Pending state budget approval.

**TAG (Tuition Aid Grant from the State of New Jersey)** – Much like the PELL grant from the federal government, many students may be eligible for additional need-based grant money from the state of New Jersey. However, additional information may need to be supplied from the student, and deadlines vary from the federal requirements.

**New Jersey Educational Opportunity Funds (EOF)** – EOF is a state program that provides counseling, academic support and financial assistance to educationally and economically disadvantaged students.

### NJ STARS

The New Jersey Student Tuition Assistance Reward Scholarship (NJ STARS) Program is an initiative to provide New Jersey's highest

achieving students with free tuition up to 18 credit hours per semester at their home county college for up to five semesters.

### FEDERAL WORK-STUDY

Federal Work-Study provides part-time jobs for undergraduate students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the recipient's course of study.

### SCHOLARSHIPS

As the College's partner, the Camden County College Foundation is committed to helping CCC students realize their dreams of a quality, meaningful higher education and career.

### LOANS

There are two federal loan programs that students can take advantage of: Federal Direct Student Loans and Parent Loan for Undergraduate Students (PLUS).

### TUITION WAIVERS

**New Jersey National Guard Waiver** – The National Guard Waiver covers the cost of tuition only up to a maximum of 16 credits/hours per semester. Students are responsible for the payment of all other applicable fees.

### Unemployment Waivers

The Unemployment Waiver covers tuition and general fees. Students are responsible for payment of all other costs at the time of registration.

# RUTGERS PARTNERSHIP

## Be A Rutgers Student From Day 1 and Save Thousands In Tuition Costs

### *Rutgers at Camden County College - the most affordable path to a bachelor's degree in the region*

Camden County College and Rutgers University–Camden have formed a new Premier Partnership – bringing together the most affordable community college in the region and one of the most respected universities in the country.

Now, students can be a part of the Rutgers University–Camden community from day one at Camden County College and choose from more than 40 available majors – including five that students can complete entirely at our Blackwood Campus.

Best of all, students will earn both an associate and bachelor's degree through the most cost effective 4-year degree partnership in the region! Plus, most students are eligible for additional financial and merit-based scholarships available for this new dual admission program.

Camden County College graduates

“ This innovative partnership makes higher education more affordable for CCC graduates by providing a direct, cohesive route to a Rutgers–Camden bachelor's degree on our Blackwood Campus for under \$30,000. ”

– President Donald Borden

(left to right) Rutgers University–Camden Provost Michael Palis, Rutgers University–Camden Chancellor Phoebe Haddon, Camden County College President Donald Borden and Camden County College Executive Vice President David Edwards formalize the Premier Partnership.

enrolling in Rutgers University–Camden degree-granting programs offered on our Blackwood Campus will receive an exclusive third-year guaranteed scholarship.

The Rutgers–Camden baccalaureate pathways for the Premier Partnership include Bachelor of Arts (B.A.) degrees in Business Administration, Criminal Justice, Liberal Studies, Political Science and Psychology.

The dual admission program offers students unbeatable benefits including seamless transfer of all associate-level credits and joint student advisement by dedicated Rutgers and Camden County College staff. Rutgers–Camden will also waive their application fee.

Camden County College students are eligible to receive Rutgers–Camden identification cards and email accounts, along with access to the university's student organizations, library and fitness center.

Now everyone has a chance to earn a world-class bachelor's degree at a fraction of the cost. APPLY NOW for the Fall 2020 semester at [camdencc.edu/rutgers](http://camdencc.edu/rutgers).

RUTGERS AT CAMDEN COUNTY COLLEGE

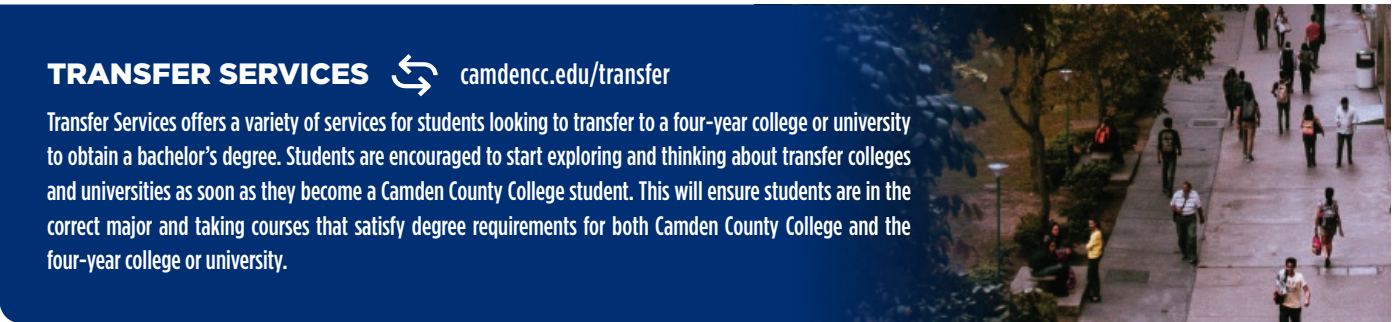

# STUDENT SERVICES

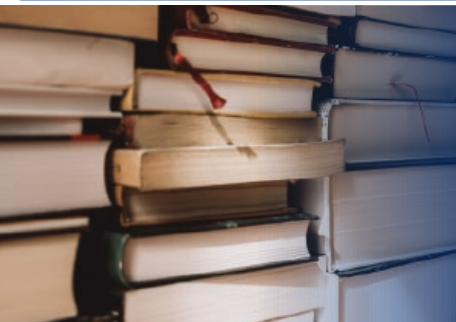

## CAREER SERVICES [camdencc.edu/career](http://camdencc.edu/career)

Career Services helps currently enrolled students, as well as alumni, with developing, evaluating and implementing career and employment search strategies. These services include: market projections, resume preparations, mock interviews, job / internship searches, and recruitment opportunities that will assist new job seekers as well as those returning to the workforce. Career Services is committed to providing students with current, comprehensive information along with the skills and techniques necessary to compete and succeed in any job market.

## TRANSFER SERVICES [camdencc.edu/transfer](http://camdencc.edu/transfer)

Transfer Services offers a variety of services for students looking to transfer to a four-year college or university to obtain a bachelor's degree. Students are encouraged to start exploring and thinking about transfer colleges and universities as soon as they become a Camden County College student. This will ensure students are in the correct major and taking courses that satisfy degree requirements for both Camden County College and the four-year college or university.

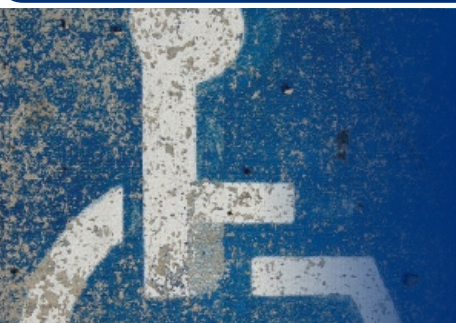

## EMERGENCY BOOK FUND [camdencc.edu/textbooks](http://camdencc.edu/textbooks)

Since its inception in 2016, the Emergency Textbook Fund, administered in partnership with the Office of Student Services and the Camden County College Foundation, has provided more than \$70,000 to students for textbook assistance. This fund is made possible by the support of Barnes & Noble Bookstores and supports about 100 students annually. Administered through the Student Services Division, this collaborative effort has benefited students who do not have the money to pay for their textbooks. Textbooks have also been made available to use in the library or can be purchased depending on the student's needs. Faculty, administration, and staff refer students to the program and it has become a great tool for retention and student success.

## MARKETPLACE [camdencc.edu/marketplace](http://camdencc.edu/marketplace)

The Camden County College Food Pantry named the "MarketPlace" has been serving our community since 2018. The Office of Student Life and Activities will administer the pantry with support from the CCC Student Government Association, campus administration, community partners, student body and college community to help provide food and other essentials to students in need. The Marketplace has two locations: one on the Blackwood Campus, 2nd floor College Community Center Room 200, and one on the Camden Campus, College Hall Room 410.

## DISABILITY SERVICES [camdencc.edu/disabilityservices](http://camdencc.edu/disabilityservices)

Disability Services is an umbrella for many services available at Camden County College, including the Office of Disability Services, Program for Students who are Deaf and Hard of Hearing, and Garden State Pathways. The Office of Disability Services provides academic support to students who have documented disabilities. The Disability Services Office promotes access to and, excellence in, the educational opportunities for students with disabilities at Camden County College.

# STUDENT ACTIVITIES

Studies show that students who are engaged in extra-curricular activities in college have greater opportunities for networking, career growth, building friendships, enhancing academic and leadership development, as well as overall student success.

Our student clubs bring theory into practice and allow our students to connect with industry professionals, professors, and fellow students. Clubs include:

**A-Cappella Club**

**Addictions Counseling Club**

**African Studies Association**

**Campus Press Newspaper**

**Chemistry Club**

**Criminal Justice Society**

**Dental Assisting Club**

**Dental Hygiene Club**

**Diversity Club**

**E-Sports @ CCC**

**Healthy Educational Advocates  
for Relationship Resources**

**Hispanic Culture Club**

**Lions Club**

**MAD LIT – The Madison  
Literary Society**

**Muslim Student Club**

**Student Nurse Association**

**Veterinary Technicians  
and Assistants Club**

**Volleyball Club**

**WDBK Radio Station**

**World Culture Club**

# ATHLETICS

The Department of Athletics offers programs that provide diverse opportunities for participation and foster a sense of collegiality among the college community while promoting character development, leadership qualities, sportsmanship and academic excellence in our student-athletes.
